The area after disforestment will be surrendered to the Revenue Department and the Revenue Department will take further action to assign the lands in favour of the Temple. As no land value is recovered by the Forest Department, the revenue that Government will have to abadon cannot be stated. However, it is ascertained from the Revenue Department that the land will merely be transferred to the Choultry poromboke. A copy of letter from the Tahsildar addressed to the Divisional Forest Officer Kollegal in this connection is enclosed for perusal. The tree growth in the area of 7½ acres proposed to be granted to the Temple has been completely exploited.

Orders of Government on this office letter of even No. dated 8-12-61 may please be issued early for taking further action.
